I. COMPOSITION OF COMMITTEE

1.A.
The DPC is composed of the University Librarian and six elected faculty members: three tenured, one non-tenured, one tenured alternate and one non-tenured alternate. A tenured voting member of the committee also serves as the Equal Opportunity Associate.

1.B.
The University Librarian normally chairs the DPC as a non-voting member and presides at all meetings. When the personnel action being considered involves the University Librarian or when the position of University Librarian is vacant, the appropriate administrator in Academic Affairs chairs the Committee.
